BEWARE OF UNOFFICIAL PROPOSALS TO PURCHASE OUR ATTENDEE / VISITOR LISTS

It has come to our attention that false proposals are being made from a variety of unscrupulous sources to purchase Attendee or Visitor Lists of our events and shows.

These proposals are totally false as no other organisation other than BEES possess the Attendee / Visitor lists for our events. Furthermore, since our foundation in 2005, BEES has never offered (and never will) our Attendee / Visitor database for sale, rental, loan or shared it under any other type of arrangement.

Some of the domain names from where fraudulent proposals of this nature by email can originate, include:

@expolist.us
@eventzusa.biz
@blueleadzs.com
@datahublink.com
@umaxmedia.com
@b2bshows-list.org
@proattendeelist.com
@reachproinfoleads.com

This list of domain names is not exhaustive as the perpetrator(s) of these fraudulent acts continually re-invent their identity.

We are taking steps to put an end to this mal practice. If you have been contacted by another company for a proposal that seemed fraudulent to you or for any other question of this nature, don't hesitate to contact us.
